The course is listed under the BLS section – select BLS for Healthcare Providers Online Part 1 by clicking Purchase

BLS – Basic Life Support

**BLS for Healthcare Providers Online part 1**

[Watch Demo](#) [Course Details](#) [Purchase](#)

In this program, students complete the cognitive portion (Part 1) of BLS for Healthcare Providers training through a series of self-paced online modules. Students answer short multiple-choice questions within case-based scenarios, and receive feedback based on their answers, to proceed through 10 critical checkpoints. This course provides access to 21 optional review sections, including 17 videos from the BLS for Healthcare Providers video, which reinforce the adult, child and infant CPR sequences taught in the course.

This course is for healthcare providers seeking an initial or renewal BLS for Healthcare Providers Course Completion Card. Part 1 can be completed in approximately 1-2 hours; time to complete a practice and testing session (Parts 2 and 3) varies.
