**Each session is scheduled
from 5:30pm to 10:00pm**

PURPOSE:

This program reviews how to recognize and respond to life-threatening emergencies, such as cardiac arrest, respiratory arrest, and foreign-body airway obstruction. Skills for CPR for victims of all ages (including ventilation with barrier devices & bag-mask devices), use of an automated external defibrillator (AED) & relief of foreign-body airway obstruction must be demonstrated by the participant through the use of scenarios.

INTENDED AUDIENCE:

RN's, LPN's, EMT's, RT's & other Licensed & Certified Healthcare professionals taking HealthCare Provider BLS certification for the first time.

OBJECTIVES:

Upon completion of this program, the participant will be able to:

1. Describe the links in the adult Chain of Survival;
2. Name the most common cause of airway obstruction;
3. Describe current therapy for acute stroke that limits disability;
4. Explain why it is critical to determine the time of suspected onset of stroke symptoms;
5. Identify the signs of FBAO;
6. Demonstrate:
 - a. One & Two Person CPR of the adult, child & infant
 - b. Use of an AED

FEES:

No registration fee for employees of Spencer Hospital; fee for non-employees - \$40. AHA Textbook required at an additional fee of \$15 if participant does not have access to this. Fee must be paid at least 24 hours in advance of class.

REGISTRATION:

Register by calling 264-6142, or send registration form to Human Resource Development. Registration is on a first come, first served basis. Deadline to register is at least 24 hours prior to the start time of class.

No drop-in attendance is permitted.

CANCELLATION:

Notice of the need to cancel must be received 24 hours in advance of the course starting time; exceptions are made for emergencies. No refund if less than 24 hours notice is given. Spencer Hospital reserves the right to cancel this program if there is insufficient enrollment. In this event, every attempt will be made to notify enrollees prior to the event.

CEU'S:

Nurses: 0.51 CEU's will be awarded by IBON provider #14 - Spencer Hospital.

To receive CEU credit, the participant must correctly demonstrate all required skills without assistance and pass a written test with at least an 84% score. A participant must complete the entire program to receive continuing education credit.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course material, do not represent income to the Association.
