INTENDED AUDIENCE:

RN's, LPN's, physicians & other interested healthcare providers who want to teach American Heart Association Basic Life Support Courses.

PURPOSE:

This program will increase the healthcare professional's knowledge & understanding of adult instruction & AHA Basic Life Support curriculum. After completing this course you will be able to teach & evaluate students in a Basic Life Support Course.

FACULTY:

JEFF MESSEROLE, EMT-PS is the Clinical Instructor at Spencer Hospital and is ACLS/PALS/BLS Regional AHA faculty.

OBJECTIVES:

Upon completion of this program, the participant will be able to:

1. Discuss the 20 key competencies of adult instruction.
2. Discuss AHA BLS learning exercises & teaching scenarios.
3. Teach & evaluate students in an AHA Basic Life Support Course.

Monitoring of First Course

Monitoring to be completed within 1 year of the completion of an instructor course. This can be scheduled with the Training Center you are aligning with.

PRE-REQUISITES:

1. Provide proof of current American Heart Association (AHA) Healthcare Provider status for a minimum of two years by the AHA Card.
2. Complete the Instructor Candidate form and provide letter of recommendation by the instructor that renewed your Healthcare Provider status.
3. Willingness to teach a minimum of four AHA BLS courses in a two year period.
4. **Completion of AHA Core Instructor Course** or show a copy of a course completion certificate.

Method: Self Study Computer Course. Participants complete the computer CD at their own pace. **The student will print the certificate at the end of the CD program as proof of completion.**

You will need to purchase the Core Instructor Course Workbook (product #80-1050 - \$25) from any AHA distributor listed below. The workbook contains the voucher code for taking the course online. The course can be purchased from these AHA vendors:
