

PEDIATRIC ADVANCED LIFE SUPPORT (PALS)

PROVIDER 2010

**MARCH 8TH & 9TH
OR
AUG 28TH & 29TH**

8:00 AM - 4:00 PM

**MAPLE
CONFERENCE ROOM**

**SPENCER HOSPITAL
SPENCER, IA**

PURPOSE:

The functional survival of critically ill and injured children is influenced by the provision of timely and appropriate pediatric emergency care in both the prehospital and hospital environments. In this course, participants will learn a series of skills to be performed sequentially to assess, support, or restore effective ventilation and circulation to a child with respiratory or cardiorespiratory arrest.

INTENDED AUDIENCE:

RN's, EMT-P's & any other Healthcare provider who cares for acutely ill or injured children

OBJECTIVES:

Upon completion of this program, the participant will be able to:

1. Understand and perform the systematic approach to pediatric assessment of a seriously ill or injured child, including the general, primary, secondary and tertiary assessments.
2. Utilize the assess-categorize-decide-act approach to decision making.
3. Recognize and manage a child in respiratory distress or failure and/or compensated or hypotensive shock.
4. Recognize and manage a child with life-threatening bradyarrhythmia, tachyarrhythmia or arrest rhythm.
5. Describe the key elements of effective resuscitation team behaviors and explain why the foundation of successful resuscitation includes both the mastery of basic skills and effective team dynamics.

FACULTY: All instructors are AHA ACLS/PALS trained instructors

Jeff Messerole, EMT- PS

Clinical Instructor at Spencer Hospital.

John Hill, CCP

Director of Ambulance Services and Respiratory Therapy at Spencer Hospital

Neal Eisenbacher, EMT-P

Employed in the Ambulance service at Spencer Hospital

Julie Siebrecht, RN

Jessica Behrends, EMT

EMT at Spencer Hospital

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course material, do not represent income to the Association.

REGISTRATION AND FEES:

FEES:

No registration fee for employees of Spencer Hospital who have Director approval to attend the course; non-employees & Spencer Hospital employees without Director approval to attend; \$160. Required textbooks: PALS text (2006 Edition) Spencer Hospital employees may obtain texts from the Human Resource Development Department, non-employees may purchase a text for \$35 from the Human Resource Development Department.

REGISTRATION:

Register by calling 264-6142 or send registration form to Human Resource Development department one week prior to class. Pre-course reading/preparation is mandatory for this course, no drop-in registration is permitted.

CANCELLATION:

Notice of cancellation must be received 24 hours before the class begins, unless due to an emergency. A full refund, is given if cancellation notice is received one week prior to class.

Spencer Hospital reserves the right to cancel this program if there is insufficient enrollment. In this event, every attempt will be made to notify enrollees prior to the event.

CEU'S:

Nurses: 1.56 CEU's will be awarded by IBON provider #14 – Spencer Hospital.

EMT's: CEH's have been applied for through Mercy School of EMS, Des Moines

Participants must attend the entire program to receive continuing education credit. An exception may be made if an "EXTREME EMERGENCY" situation can be documented." In this instance, partial credit (based on the actual amount of time attended) may be granted.
